FIRST AMENDED AND RESTATED INTERLOCAL AGREEMENT BETWEEN OSCEOLA COUNTY, FLORIDA AND EDGEWATER EAST COMMUNITY DEVELOPMENT DISTRICT REGARDING THE EXERCISE OF POWERS AND COOPERATION ON PROVIDING ADDITIONAL DISCLOSURE AND NOTICES

RECITALS:

WHEREAS, Edgewater Property Florida Holdings, LLC, a Florida limited liability company (the "Petitioner"), as fee simple owner of certain real property located in Osceola County, Florida, did file with the County on February 17, 2020, a petition (the "Petition") pursuant to the Act (as defined herein) to establish the Edgewater East Community Development District; and

WHEREAS, upon review of the Petition and supporting testimony, evidence and documentation, including but not limited to surveys, plans and specifications and financial data, the Board of County Commissioners of Osceola County (the "County Board"), on June 15, 2020, granted the Petition; and

WHEREAS, on June 15, 2020, concurrent with or subsequent to the action of the County Board granting the Petition, the County Board enacted Ordinance No. 2020-49, as subsequently amended by Ordinance No. 2020-66 to correct a scrivener's error, establishing the District (collectively the "Establishing Ordinance"); and

WHEREAS, the District is an independent special district and a local unit of special-purpose government which is created pursuant to the Act, and is limited to the performance of those specialized functions authorized by the Act and the Ordinance; and

WHEREAS, the governing body of the District is created, organized, constituted, and authorized to function specifically as prescribed in the Act and the Ordinance for the delivery of urban community development services; and

WHEREAS, pursuant to the Act, the District is presently authorized to construct, acquire, and maintain infrastructure improvements and services set forth in Section 190.012(1) of the Act, for which the District may impose, levy and collect non-ad valorem special assessments on land within the boundaries of lie District; and

WHEREAS, in accordance with the Act, the County expressed in the Establishing Ordinance its consent to the District Board (as defined herein) having the additional powers to plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain additional systems and facilities described and authorized by Sections 190.012(1) and 190.012(2)(a) of the Act, for which the District may impose, levy and collect non-ad valorem special assessments on land within the boundaries of the District; and

WHEREAS, it is in the mutual interest of the County and the District to establish intergovernmental relations that encourage, promote and improve the coordination, overall effectiveness and efficiency of governmental activities and services within the boundaries of the District; and

WHEREAS, the County and the District desire to exercise jointly their common powers and authority concerning the cost effective financing of the acquisition and construction of the infrastructure, public improvements and community facilities; the avoidance of inefficiencies caused by the unnecessary duplication of services and facilities; and the clarification of responsibilities, obligations, duties, powers, and liabilities of each of the governmental bodies.

WHEREAS, Section 163.01, Florida Statutes, known as the "Florida Interlocal Cooperation Act of 1969" (hereinafter, the "Cooperation Act"), permits local governmental units to make the most efficient use of their powers by enabling them to cooperate with other localities on a basis of mutual advantage and thereby to provide services and facilities in a manner and pursuant to forms of governmental organization that will accord best with geographic, economic, population, and other factors influencing the needs and development of local communities, and

WHEREAS, the Petitioner presented to the District Board, after its establishment, a proposed Interlocal Agreement between the County and the District to further define the responsibility of the District to (i) provide for certain enhanced disclosure regarding the establishment of the District and the existence of liens and special assessments on lands contained within the District's boundaries, (ii) provide that annual notice be given by the District to all landowners within the District regarding the date, time and place of the scheduled monthly meetings of the Board of Supervisors for its ensuing fiscal year and (iii) provide that annual notice be given by the District to all landowners within the District regarding the date, time and place of its budget hearing; and

WHEREAS, in September 2020 the County and District thereafter entered into that certain "Interlocal Agreement Between Osceola County, Florida and Edgewater East Community Development District Regarding the Exercise of Powers and Cooperation on Providing Additional Disclosure and Notices" (the "Original Interlocal Agreement") finding it to be necessary, proper, and convenient to the exercise of their powers, duties and purposes authorized by law; and

- **WHEREAS**, on _____ 2021, the County enacted Ordinance No. 2022-___ amending the boundaries of the District (the "Boundary Amendment Ordinance," and, collectively with the Establishing Ordinance, the "Ordinance"); and
- **WHEREAS**, the District consists of that real property wholly within the boundaries described in the Ordinance; and
- **WHEREAS**, the District and County desire to enter into this Amended and Restated Interlocal Agreement so that the terms of the Original Interlocal Agreement apply to all property within the District's boundaries as amended by the Boundary Amendment Ordinance; and
- **NOW, THEREFORE**, in consideration of the mutual understandings and covenants set forth herein, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the County and the District agree as follows:

ARTICLE I - INTRODUCTION

- **Section 1.01 Authority.** This Interlocal Agreement is entered into pursuant to the authority set forth in the Cooperation Act and the Act, and other applicable provisions of law.
- **Section 1.02 Recitals and Exhibits**. The recitals so stated are true and correct and by this reference are incorporated into and form a material part of this Interlocal Agreement. All exhibits identified herein are hereby incorporated by reference to the same extent as if fully set forth herein.
- **Section 1.03 Authority to Contract**. The execution of this Interlocal Agreement has been duly authorized by the appropriate body or official(s) of the County and the District, each party has complied with all applicable requirements of law, and each party has full power and authority to comply with the terms and provisions of this instrument.
- **Section 1.04 Definitions**. The following terms when used in capitalized form herein shall have the respective meaning indicated below unless the context shall clearly indicate otherwise:
- "District Board" means the initial Board of Supervisors and all subsequent forms of the Board of Supervisors for the District.
- "Capital Assessments" means an apportioned charge levied by the District against a Parcel to satisfy the costs and expenses of the infrastructure improvements, which shall constitute a special assessment lien on the Parcel, This assessment is intended to refer to the Benefit Special Assessments and Special Assessments, as set forth and described in Section 190.021(2) and 190.022 of the Act, respectively.
- "Act" means the "Uniform Community Development District Act of 1980" codified in Chapter 190, Florida Statutes, as amended from time to time.

"Parcel" means a portion of the Property such as a lot, parcel, tract or any other quantity of land capable of being separately conveyed and having a separate folio number assigned by the Tax Collector for Osceola County.

"Property" means the lands within the boundaries of the District as established by the Ordinance and as identified in the attached **Exhibit A**, which is hereby incorporated herein.

ARTICLE II - DISTRICT POWERS

Section 2.01 Exercise of Powers.

- A. Powers. The District has and shall retain all powers, rights, obligations and responsibilities granted or imposed by the Act, as amended from time to time, including but not limited to, all general powers and special powers set forth in Sections 190.011, 190.012(1), 190.012(2)(a), 190.012(2)(d), 190.012(3) and 190.012(4), Florida Statutes.
- B. Acknowledgment of Powers. The District hereby acknowledges that its additional powers under the Ordinance do not include those set forth in Sections 190.012(2)(b), 190.012(2)(c), 190.012(2)(e) and 190.012(2)(f), Florida Statutes, and the District agrees that it will not provide such improvements or services, nor collect assessments therefor without the prior approval and amendment to the Ordinance by the County Board.

ARTICLE III - ENHANCED DISCLOSURE AND NOTICE

Section 3.01 Enhanced Disclosure of District and Assessments. In addition to the statutory requirements for disclosure set forth in Sections 190.008, 190.009, 190.048 and 190.0485, the District Board hereby agrees to have executed and filed in the Official Records of Osceola County a "Declaration of Consent to Jurisdiction of Community Development District and to Imposition of Special Assessments" and a "Notice of Lien," (or similar notices) at the time any Capital Assessments are placed on Parcels within the District. Such notices are intended to inform potential future landowners of land within the boundaries of the District of both the establishment of the District and the existence of liens and special assessments on lands contained within the District, which liens run with the land.

This notice supplements the following notices that will also be placed in the public records of the County on all property within the District:

Notice of Establishment of the District Disclosure of Public Financing This Interlocal Agreement

Section 3.02 Notice of District Meeting Schedule. In addition to the statutory notice requirement set forth in Section 190.008(2)(a), the District hereby agrees to publish in a newspaper that meets the requirements of Chapter 190, once a year a notice of District's adopted schedule of meetings of its Board of Supervisors for the ensuing fiscal year ("District Meeting Schedule", which notice shall designate the date, time and place of each of the scheduled meetings. The

described District Meeting Schedule will also be provided to the Osceola County Manager by mail to the County Administration Building, 1 Courthouse Square, Suite 4700, Kissimmee, Florida 34741 or such other address as directed in writing by the County Manager. The District Meeting Schedule shall also be posted online on the District's website as noted in Section 3.03 hereunder.

ARTICLE IV -ENHANCED IMPROVEMENTS AND INFRASTRUCTURE

Section 4.01 Acknowledgement of Edgewater East Enhancements. The District hereby acknowledges that the following Edgewater East Enhancements, i.e., elements of enhanced infrastructure intended to be delivered by District or Petitioner to the residents of the development, will exceed the County's design standards or otherwise deliver infrastructure or services that would not otherwise be provided by the County:

- A. Multimodal Corridor with Entry Enhancements: Several fully landscaped entry features and hardscape elements, designed to exceed the County's minimum standards in Chapter 4 of the Land Development Code, will be provided along the corridor and throughout the District as further enhancements.
- B. Bio Swale and Linear Park System: A 50' wide linear park system is provided along the multimodal corridor linking the District's various neighborhood centers and open recreation spaces. It includes a 10' wide continuous trail visible from the road that provides alternative transportation opportunities while creating paths that can be used for community events such as fun runs, 5k and 10k runs, etc. The linear parks also include a bio swale system planted with enhanced vegetation intended to both filter pollutants and nutrients from the roadway runoff, while creating an aesthetically pleasing element for both residents and the motoring public. The proposed bio swale is an integral part of a concept to advance developments to a more "Green" standard. The concept of the Bioswale is to create a treatment train that provides pretreatment of runoff prior to being conveyed to a retention basin. As both Goblets Cove and Friars Cove are environmentally sensitive basins on Lake Tohopekaliga, it is the desire of the District to improve water quality prior to discharging to tributaries that outfall into the basins. The linear parks, bio swales and open recreation spaces are to be owned and maintained by the District.
- C. Landscape Enhancements: Landscaping in the linear parks, bio swales, open recreation areas and other public spaces, including landscaped medians and street trees in the parkways along the multimodal corridor will be designed to exceed the County's minimum standards. Shade trees to be provided along the trail system and at trail heads within the linear parks.
- D. Maintenance of Water, Sewer, and Stormwater Systems. The development of the Property within the District will involve the construction of a stormwater system and ongoing operation and maintenance of such system in compliance with SFWMD permits. The stormwater system includes joint stormwater management designed to handle drainage from District land and privately owned properties within the District. The District is anticipated to undertake the responsibility of the ongoing operation and maintenance of the stormwater system in compliance with SFWMD permits. This is a unique benefit of establishing the District, as a

public governmental entity, as SFWMD is often reluctant to accept operation and maintenance of the SFWMD permit by a private entity.

ARTICLE V - MISCELLANEOUS PROVISIONS

Section 5.01 Notices. Any notices required or allowed to be delivered shall be in writing and be deemed to be delivered when: (i) hand delivered to the official hereinafter designated, or (ii) upon receipt of such notice when deposited in the United States mail, postage prepaid, certified mail, return receipt requested, addressed to a party at the address set forth opposite the party's name below, or at such other address as the party or parties shall have been specified by written notice to the other party delivered in accordance herewith. The County has designated an individual within County staff (CDD Coordinator) as the recipient of all notices to be transmitted to the County as described in Article III herein. The District may deliver such notices to the CDD Coordinator by electronic mail (email), hand delivery, certified mail, facsimile, or any other mutually acceptable method of delivery.

If to the County:	County Attorney County Administration Building 1 Courthouse Square, Suite 4200 Kissimmee, Florida 34741	
If to the CDD Coordinator:		
If to the District:	Craig Wrathell District Manager Wrathell, Hunt and Associates, LLC 2300 Glades Road, Suite 410W Boca Raton, Florida 33431	
With Copy to:	Edgewater Property Florida Holdings, LLC Petitioner 401 East Las Olas Boulevard, Suite 1870 Fort Lauderdale, Florida 33301	
With a copy to:	Michael C. Eckert/Joseph A. Brown Petitioner's Counsel Hopping Green & Sams, PA 119 South Monroe Street, Suite 300 Tallahassee, Florida 32301	

Section 5.02 Binding Effect. This Agreement shall be binding upon and shall inure to the benefit of the County, the District, and their respective successors and assigns.

Section 5.03 Filing. The County Board and the District Board hereby authorize and direct, after execution of this Interlocal Agreement by the duly qualified and authorized officers of each of the parties hereto, that this Interlocal Agreement be filed with the Clerk of the Circuit Court of Osceola County. Florida, in accordance with the requirements of Section 163.01(11) of the Cooperation Act.

Section 5.04 Applicable Law and Venue. This Interlocal Agreement and the provisions contained herein shall be governed by and construed in accordance with the laws of the State of Florida. In any action, in equity or law, with respect to the enforcement or interpretation of this Interlocal Agreement, venue shall be solely in Osceola County, Florida.

Section 5.05 Entire Agreement. This instrument and its exhibits constitute the entire agreement between the parties and supersede all previous discussions, understandings and agreement between the parties relating to the subject matter of this Agreement. Amendments to and waivers of the provisions herein shall be made by the parties in writing by formal amendment, except changes in Chapter 189, 190 or any other Florida Law shall automatically amend this agreement.

Section 5.06 Continued Effect; Remedies. Notwithstanding anything herein to the contrary, no provision of this Interlocal Agreement shall be construed to affect, alter, or otherwise impair the District's power to impose, levy and collect Capital Assessments or assessments for operation and maintenance purposes and the failure of the District to comply with or provide the enhanced disclosure or notices as described herein shall not in any manner render the Capital Assessments, the operation and maintenance assessments, or any of the proceedings related thereto ineffective; provided, however, that the District must comply with the additional notice requirement set forth in Section 3.03 hereof for its annual operations and maintenance budget hearing to be considered effective. The County's sole remedy for the District's failure to perform in accordance with the terms of this Interlocal Agreement shall be an action for mandamus or specific performance, as applicable, by court order, to cause the District to comply with its obligations hereunder.

Section 5.07 Effective Date. This Interlocal Agreement shall become effective after its execution by the authorized representatives of both parties and upon the date of its filing with the Clerk of the Circuit Court of Osceola County, Florida. This Agreement shall also be recorded in the public records of the County to become a part of the title history of properties in the District.

[SIGNATURE PAGE IMMEDIATELY FOLLOWS]

IN WITNESS WHEREOF, the parties hereto, by and through the undersigned, have entered into this Interlocal Agreement on this date and year first above written.

32 33 34	THIRD ORDER OF BUSINESS	Ratification of Temporary Development Easement Agreement for Phase 1C
35	Mr. Wrathell stated that the Third thro	ough Ninth Orders of Business would be addressed
36	by District Counsel.	

Mr. Eckert stated the Third, Fourth and Fifth Orders of Business were essentially the same document but relate to three different parties. He explained that, when the CDD was established, the Developer would sell off parcels of land to Builders. Recently there were three closings and the CDD needs to obtain an easement over the Builder's newly-acquired land so that the Capital Improvement Plan (CIP) for the CDD can be completed. Thus, the Third, Fourth and Fifth Orders of Business essentially provide the CDD with an easement over the property that is now owned by the Builder rather than the Developer.

In response to Mr. Wrathell's question, Mr. Eckert confirmed that the items need to be ratified.

On MOTION by Mr. Mays and seconded by Mr. Kramer, with all in favor, the Temporary Development Easement Agreement for Phase 1C, Temporary Development Easement Agreement for Meritage Phase 1 and Temporary Development Easement Agreement for JCH CP, LLC, were ratified.

FOURTH ORDER OF BUSINESS

Ratification of Temporary Development Easement Agreement for Meritage Phase 1

This item was presented during the Third Order of Business.

FIFTH ORDER OF BUSINESS

Ratification of Temporary Development Easement Agreement for JCH CP, LLC

This item was presented during the Third Order of Business.

SIXTH ORDER OF BUSINESS

Ratification of Partial Assignment and Assumption of True-Up Obligations for M/I Homes of Orlando, LLC

Mr. Eckert stated the Sixth, Seventh and Eighth Orders of Business were also ratifications. He explained that, when the bonds were sold, there was a True-up Agreement between the CDD and the Master Developer whereby the Master Developer is required to develop a certain number of equivalent residential units (ERUs) within the boundaries of the

CDD, such that there would be sufficient numbers of units to pay the debt assessments, which reimburse the bondholders. One of the provisions in the True-up Agreement is that the Master Developer may assign the true-up obligations when a builder purchases a parcel of property. In connection with the three closings that recently occurred, there was an assignment of the true-up obligation from the Master Developer to the three named Builders. Mr. Eckert stated this was a housekeeping measure and recommended ratification of the assignments.

On MOTION by Mr. Mays and seconded by Mr. Kramer, with all in favor, the Partial Assignment and Assumption of True-Up Obligations for M/I Homes of Orlando, LLC, Partial Assignment and Assumption of True-Up Obligations for Meritage Homes of Florida, Inc., and Partial Assignment and Assumption of True-Up Obligations for JCH CP, LLC, were ratified.

SEVENTH ORDER OF BUSINESS

Ratification of Partial Assignment and Assumption of True-Up Obligations for Meritage Homes of Florida, Inc.

This item was presented during the Sixth Order of Business.

EIGHTH ORDER OF BUSINESS

Ratification of Partial Assignment and Assumption of True-Up Obligations for JCH CP, LLC

This item was presented during the Sixth Order of Business.

NINTH ORDER OF BUSINESS

Ratification of Assignment of Impact Fee Credits and Sale of Impact Fee Credits

Mr. Eckert presented the Assignment of Impact Fee Credits between Edgewater Property Holdings, the CDD and M/I Homes of Orlando LLC. He explained that the CDD received a significant amount of funding from the sale of impact fee credits, which provide an additional source of funding in addition to the bonds, for the CDD to build out its CIP.

On MOTION by Mr. Mays and seconded by Mr. Kramer, with all in favor, the Assignment of Impact Fee Credits and Sale of Impact Fee Credits, was ratified.

Discussion ensued regarding assigning funding agreement obligations to the different buyers, assessments due to bond debt and assessments due to operation and maintenance (O&M) and a percentage split.

Ratification of Amended Notice of Commencement – JR. Davis Construction Co., Inc., for CDD Work

This item was an addition to the agenda.

Mr. Eckert presented the Amended Notice of Commencement pares down the property to just where the CDD is going to do work.

On MOTION by Mr. Kramer and seconded by Mr. Mays, with all in favor, the Amended Notice of Commencement – JR. Davis Construction Co., Inc., for CDD Work, was ratified.

TENTH ORDER OF BUSINESS

Consideration of Change Orders

- A. Change Order #02 Jr. Davis Construction Co, Inc. [\$2,293,526.11]
- 127 B. Change Order #03 Jr. Davis Construction Co, Inc. [\$116,629.60]
- 128 Mr. Wrathell presented Change Orders #02 and #03.

Mr. Hindle stated the Change Orders were negotiated for construction of the project. The contractor completed some of the work, Staff authorized a work directive and the Change Orders ratify the work that was authorized and allows them to prepare future pay invoices.

Mr. Kramer explained that the original contract was completed prior to the final approval of the utilities with the County and, once the plans were approved, the City utility provider had changed the utility design so Change Order #02, in particular, is an exchange and deduction of the cost for the old design that was in the contract and replacing it with the new and improved design, which is accompanied with impact fee credits because almost all of that work is work that the CDD is credited for.

138			seconded by Mr. Mays, with all in favor,
